

HE PLAYED BURGLAR IN HIS OWN HOME TO GET INSURANCE

Brenner's Hired "Pals" Sold
the Loot and Detectives
Traced It Back.

Suspicion that hundreds of false claims of loss on burglary insurance policies have cost companies immense sums of money led to the arrest early today of Samuel S. Brenner, a haberdasher at No. 174 Third avenue, living at No. 136 East Ninety-sixth street. He was indicted yesterday on the charge of filing a false proof of loss. Detective Sergeant David Wilbur, retired, was engaged by the National Surety Company to investigate alleged burglary losses, and Brenner's arrest was the first in what Wilbur declares will be a wholesale cleanup. Brenner has signed a full confession.

In January, 1935, Brenner, who then lived at No. 57 East Ninety-sixth street, took out a burglary policy, living at No. 136 East Ninety-sixth street. In December last he swore before Isaac Leon, a commissioner of deeds, that his apartment had been robbed of \$1,100 worth of goods, and was paid \$750 by the National Surety Company. According to his confession, Brenner's business had been bad, and he needed money to tide him over the holiday season. So he arranged the false burglary.

Brenner employed three Park Row "hustlers" known as "Red," "Chief" and "Morris" to carry packages from his home. He told them he "wanted to play a joke on his wife." The men tied up in bundles and took away all the cut glass and silverware. Later they called him up and asked what to do with the loot. Brenner told them to sell it and keep the money. The men did so, and it was by tracing the goods and causing their arrest that Wilbur was able to place the guilt at Brenner's door.

Judge Crain, in General Sessions, today remanded Brenner to the Tombs for trial.

WILSON WATCHES JAPAN.

Calls Conference on Proposed
Laws in California.

WASHINGTON, April 16.—Relations between the United States and Japan became more complicated today. News that the Legislature of California had passed an anti-Japanese Land Bill through the lower house caused anxiety in the White House. Secretary of State Bryan was sent for and conferred with the President.

Then calls were sent for other officials conversant with the subject. Secretary of the Interior, Lane, who is a Californian; Secretary of Agriculture, Houston, who has special knowledge of conditions; Senator Works of California; and Senator Jones of Washington were among those summoned. The President hopes to find some way of amicable settlement that would appease the Japanese and at the same time not interfere with the State's right of California.

The situation is full of difficulty, and unless something is done there is liability of hostile popular demonstrations in Japan that may lead to more serious complications.

Another Bryan Grandchild. WASHINGTON, April 16.—Secretary Bryan is receiving congratulations today on the birth of his fifth grandchild, Reginald Bryan Owen, at Elphan, Kent, England. This newest grandson and namesake to the Secretary of State is a son of Lieut. Reginald Owen of the Royal Engineers and Mrs. Owen, formerly Ruth Bryan.
